Michigan Leader Defies Dr. Jordan to Make Good His Statements.

Detroit, Jan. 2.-Coach Yost of the University of Michigan in an interview today flatly denied the charge of President Jordan of Leland Stanford university that Yost offered G. W. Gregory of California \$1,500 to enter the University of Michigan. Yost brings forward a telegram from Gregory substantiating this denial. "For five years I have endured without reply the aspersions of President Jordan." aid Yost. Gregory accepted and went. I will give \$1,600 to any charitable institution in Detroit that he may name if he can prove there is one word of truth in this statement.

Gregory Denies Charges.

"My denial is backed up as strongly as I can make it. I have a telegram from Gregory in which he says:
"Seattle, Wash., Dec. 21. F. H. Yost, Detroit, Mich. Yost never offered med, 500 nor any part thereof to enter Michigan. (Signed) G. W. Gregory."
"Dr. Jordan has also assailed the scholastic eligibility of W. Martin Heston and Ralph Rose. Heston entered Michigan as a graduate of San Jose normal, from which institution Leland Stanford admits graduates not only without examination, but also with a full semester's credit. Rose entered Michigan on his high school diploma and Michigan deserves credit for Rose entered Michigan on his high school diploma and Michigan deserves credit for dropping a man who holds seven world's records, and this without protest from any one. President Jordan fell flat when requested by the A. A. U. for proof of Rose's professionalism.

At Oakland.

San Francisco, Jan. 2.—The weather at Emeryville today was clear, but the track remains muddy. Sam Barber at 20 to 1, the longest shot in the second race, ran a phenomenal race. Before a quarter was traveled he appeared to be hopelessly out of it, but McIntyre kept at work on him and, taking the rail, he lifted his mount in a head in front of La Rose. The latter should have won, but Lynch was a trifle overconfident and did not realize that Sam Barber was coming up on the rail. Marvel P. finished on the limb. Massa had to be ridden out to the last ounce to win the fourth race. Re-

A telegram received by Promoter Guiney from Battling Nelson today said that the Dane would insist that Clifford weigh 133 pounds at 6 o'clock while he would not weigh in. Clifford agreed to this proposition, and Nelson was so informed, but has not replied. Clifford says he is prepared to put up a \$5,000 side bet that he will defeat Nelson, and he will fight the Hegewisch champion without receiving a cent if he is unable to get a match with him under no other conditions. Nelson should leave the coast not later than tomorrow providing he does not change his mind about going up against Clifford.

RUSSIA CUTS PRICE.

Jockeys Do Not Get as Much Money As in Past.

New York, Jan. 2.-Joseph Richards, the jockey who has been riding successfully in Russia, returned to America on the steamer Finland yesterday. Richards says that there were six successful jockeys in Russia last summer, he himself having won forty-seven races out of four hundred starts. Prices, he says, have fallen since the Japanese war. Before that time the jockey usually received \$25 for each win-ner he rode, and \$12 when his horse failed to show. Now the price has fallen until it runs from \$15 to as low as \$5.

Rockefeller has added \$2,-191,090 to his gifts to the university, making the total of his benefactions over \$23,-100,000. It is also reported that the head of the Standard Oil company has offered to treble all contributions to the memorial library which the university is trying to erect in honor of William R. Harper, its first president. The trustees have already received \$135,000 for this purpose, and hope to add \$65,000 to this sum, so that with Mr. Rockefeller's contribution, an \$800,000 structure may be erected on the campus. The gift announced today, like most of those preceding it from the same source, is to be devoted mainly to general endowment purposes.
